

SPRINGFIELD

S P O R T S A C A D E M Y

“Don’t compare your children to others; there is no comparison between the sun and the moon.”

Our theme this year is "RACE"! Where students and staff are ready to RUN. As a former runner Principal Hunter is excited and ready to lead the team as we race to the finish line. This year we are starting on the whistle, and all focused down the lane. The staff and students will give 100% effort as they compete with themselves to improve every day. We know the impact of the pandemic and the needs of our community; we are ready to build a community of Team and Family engaging in daily double dose of ELA and MATH coupled with electives, recess, and team sports. It’s time to be charged and hit the track; get your tickets and your students enrolled as SSA goes for the gold.

At Springfield Sports Academy Students and staff, we will ...

R - Be Respectful and Ready!

A - Be Accountable and Authentic

C - Be Committed to continuous improvement

E - Give 100% Effort in all that we do.
